MEMORANDUM FOR: Executive Officer to the DDA

FROM: Allen R. Elkins
Director of Finance

SUBJECT: Comments on Draft Document "Periodic Congressional
Reporting Requirements of the Central Intelligence
Agency"

REF: Multiple Adse Memo fr D/OLL, dtd 25 Sep 85, Same
Subject

It is our recommendation that subject document be revised as follows:

25X1

b. Item 7 of Part A indicates that ALD is the OGC component involved in the production of the annual report required by the Financial Integrity Act. HN dated 6 Dec 1983 places responsibility for this report, in part, on Heads of Independent Offices. Consequently, suggest reference to ALD be deleted from Item 7 of Part I and that the responsibility of the General Counsel be therein recorded.

25X1

c. Item 5 of Part B indicates that DDA/OP is responsible for the submission of regulations concerning certain allowances, benefits and travel. Suggest Item 5 of Part B be revised to reflect the responsibility of the Office of Finance as well.
